I support the Friendship Park Plan presented tonight. YES NO

Why or why not? Other comments? *We appreciate all*

*of your work. We strongly encourage
the incorporation of natural elements,
for climbing and jumping and unconfined
play.*

I support the Friendship Park Plan presented tonight. YES NO

Why or why not? Other comments? _____

*could not hear much of the presentation
children were running around & noisy
also if questions at mic were repeated
before they were answered, it
would be helpful*

For more information please visit www.RobertsField.org

Thank you for attending and participating!
-Roberts Field Advisory Committee

I support the Friendship Park Plan presented tonight. YES NO

Why or why not? Other comments? _____

*very informative, however children
were quite a distraction
although the play ground is for children
since they have no voice in it
maybe it would have been easier to hear*

I support the Friendship Park Plan presented tonight. YES NO

Why or why not? Other comments? It looks fantastic!

I have raised 2 special needs sons. I am
so thankful that it is handicap
accessible!

GREAT JOB!
